

**Interchange Modifications**  
Any changes in this area will require an Ohio Department of Transportation (ODOT) interchange study, which may influence the design configuration. Future design concepts will be developed and provided for consideration at that time.

**Future Connection**  
Sidewalk extension towards Ravenna

**State Route 44**

**Cracker Barrel**

**August Ave**

**Economic Development Opportunity**  
Enhanced intersection will improve access to August Drive businesses and future potential development

**Economic Development Opportunity**  
New drive will provide access to previously inaccessible development sites

**New Access Road**

**Neighborhood Connectivity**  
New drive and sidewalk will provide access to Sabin Drive

**Giant Eagle**

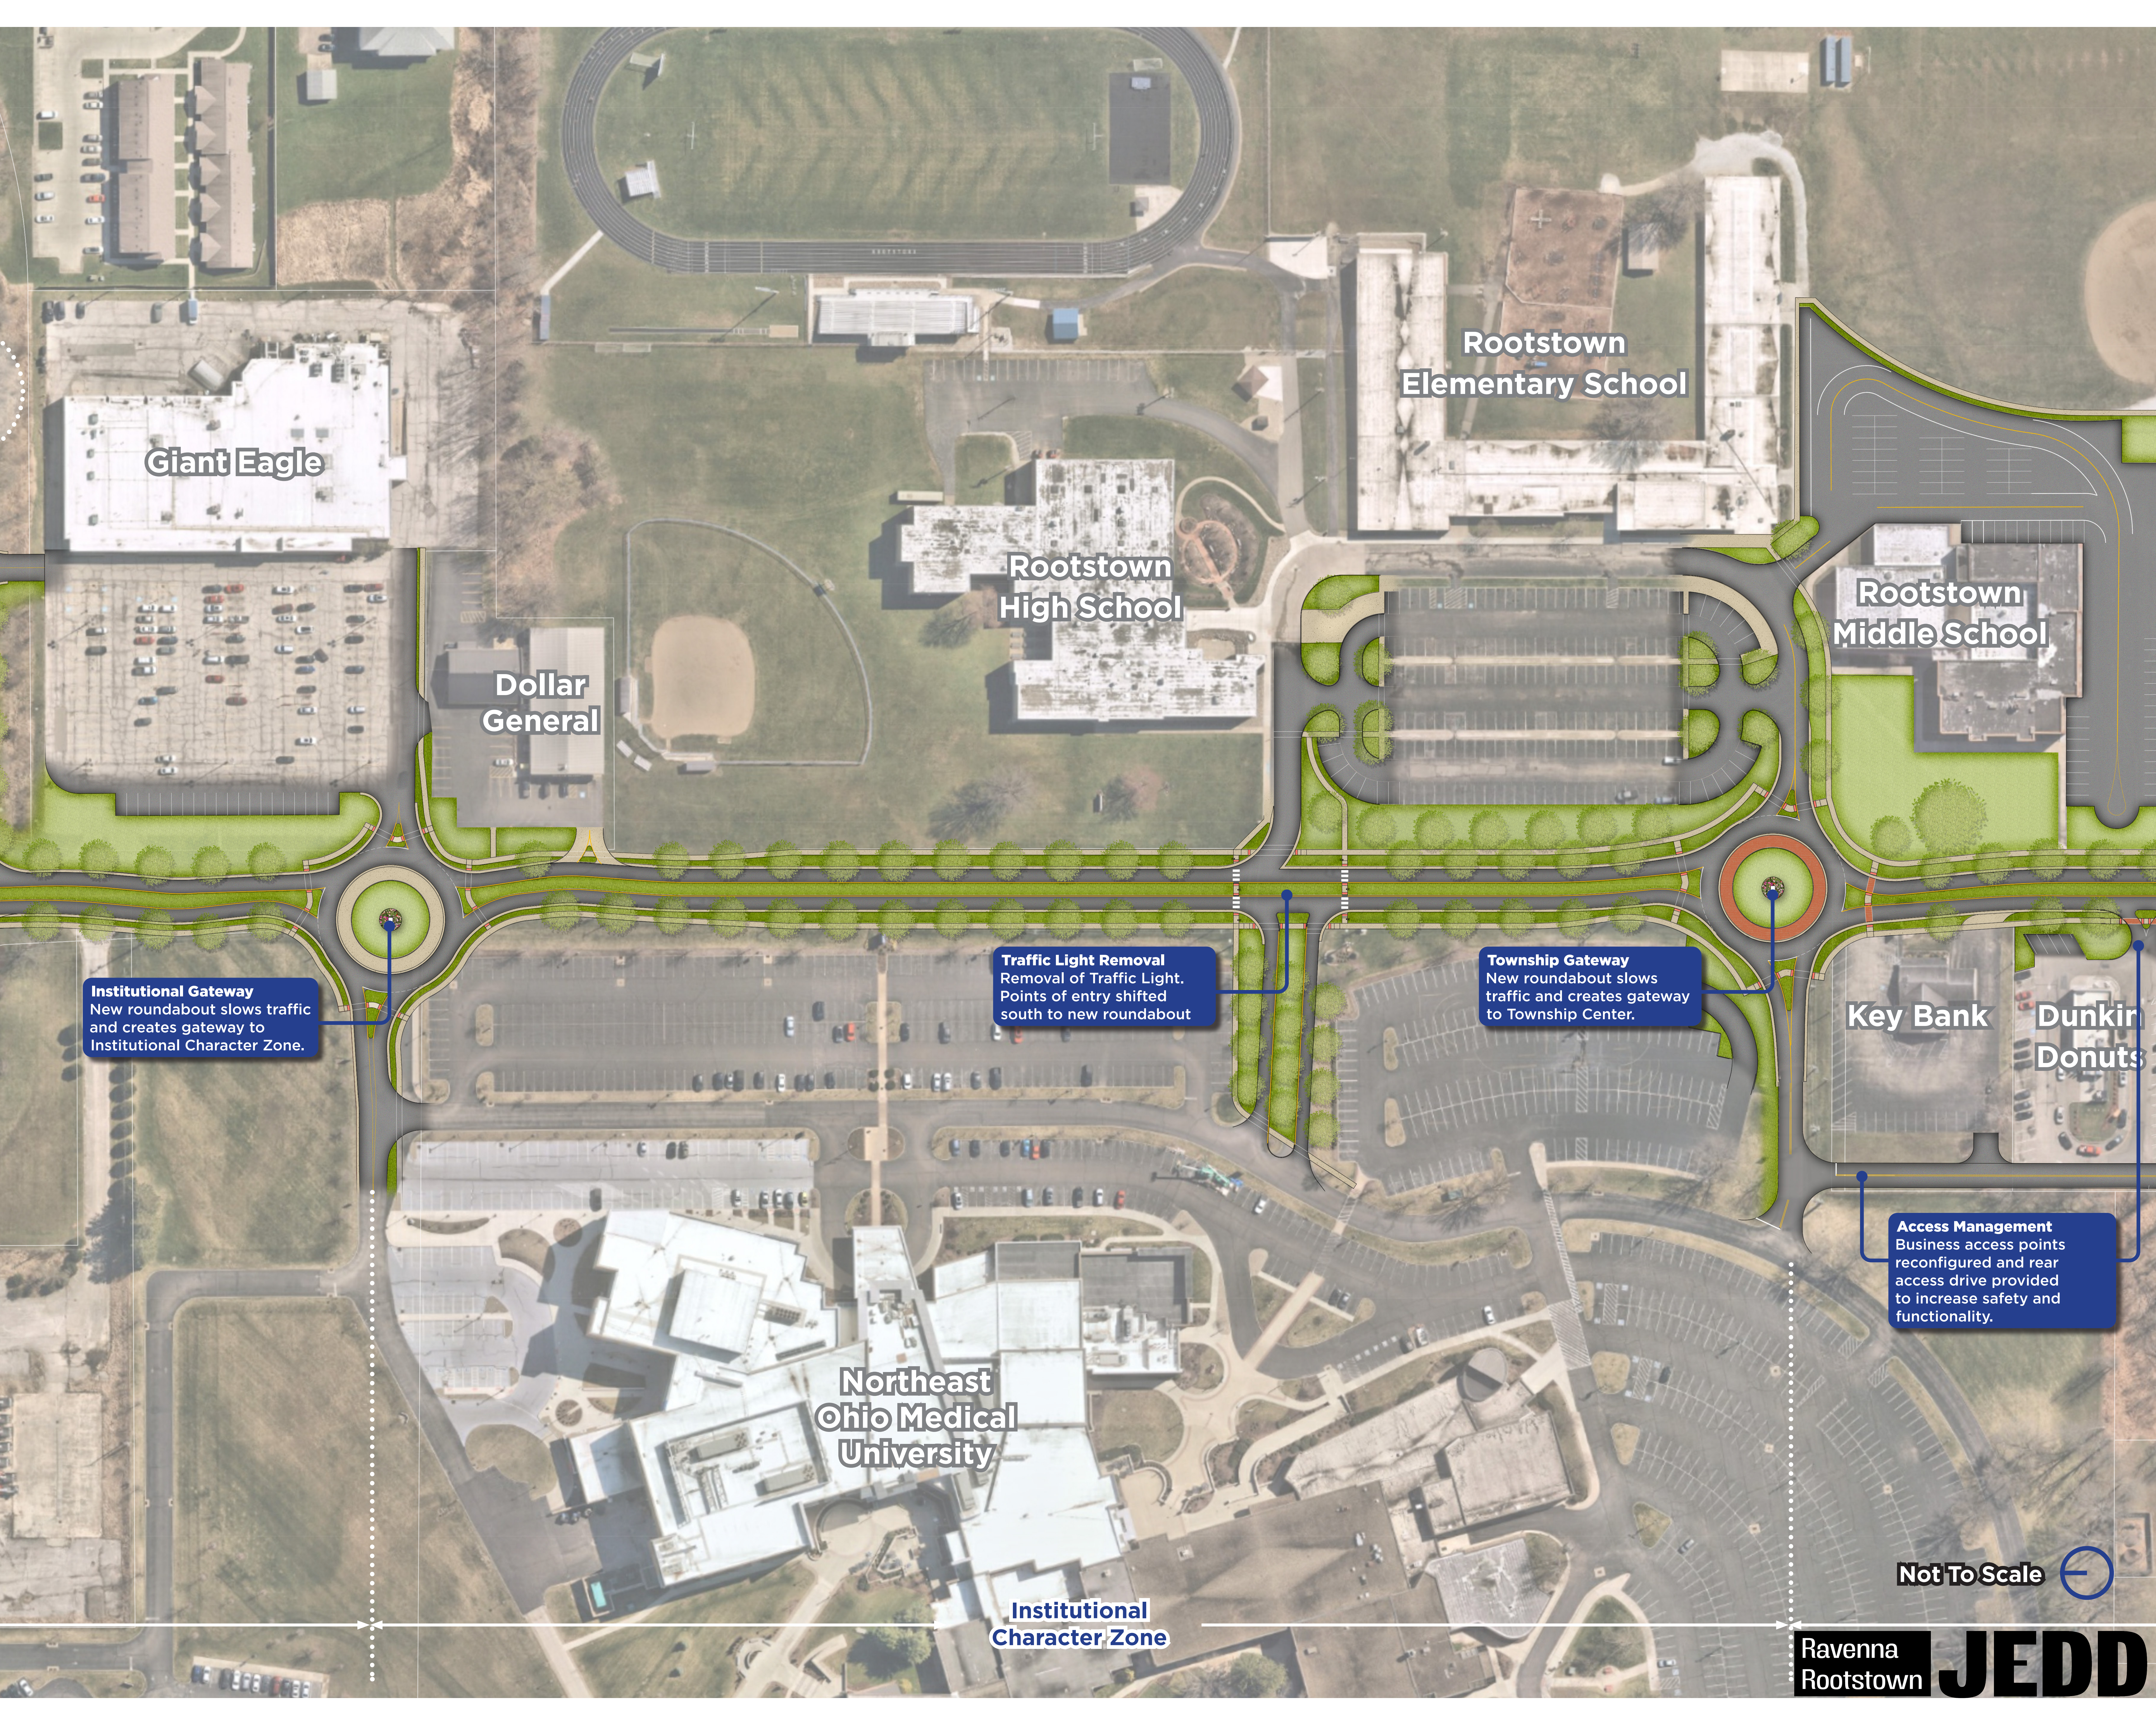

**Circle K**

**Character Zones**  
Corridor improvements are designed to align with and reinforce the distinct character zones throughout the study area, enhancing both identity and functionality.

**Transitional Character Zone**
